To many today, the word 'Christian' is associated with political and social conservatism, creationism, and biblical literalism. Have you ever wondered about the religion of Jesus -- What Jesus would (really) do or say? These are the things Stephen Patterson will talk about in this interactive lecture and discussion.

In three sessions Stephen Patterson will explore the Wisdom of Jesus, the Ways of Jesus, and the God of Jesus with the aim of bringing the Jesus Movement of the 1st century back to life for a few hours on a Saturday in Sedona, Arizona. You may never think about Jesus the same way again!

*Cost for attending BOTH Friday Evening Lecture and Saturday Workshop: \$25.00 (\$35.00 after 4/24). Both events will take place at St. Andrew's Episcopal Church, 100 Arroyo Pinon Drive, Sedona, Arizona.*

*This event is being co-sponsored by Sacred Space and St. Andrew's Episcopal Church.*
